OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 21 March 1973

1. (Confidential - JGO) Called Chairman Lucien Nedzi, Intelligence Subcommittee, and Frank Slatinshek, Chief Counsel, House Armed Services Committee, as a followup to their calls of yesterday concerning a personnel matter. Mr. Colby, DD/O, has been advised. See Memorandum for the Record.

2. (Confidential - JGO) Talked to Herbert Roback, Staff Director, Legislation and Military Operations Subcommittee, House Government Operations Committee, and brought him up-to-date on Agency conversations with NYPD yesterday. He suggested one of two possible courses of action: that he might talk to [redacted] by telephone provided we could have reasonable knowledge of their responses before such calls were made. Another possible course of action would be a letter from the Agency to Representative Koch outlining the Ford Foundation matter as we were given to understand the situation on the original contact by NYPD. He feels that as a first step the first of the foregoing courses should be explored. Howard Osborn, D/Security, has been advised.

3. (Internal Use Only - JGO) Talked to Miss Moore, in the office of Representative Stanford Parris (R., Va.), as a followup to her calls concerning an Agency personnel matter. I told her the case has been reviewed by the senior supervisor and that I am hopeful, if I understand the situation correctly, that the case can be worked out to avoid present hardship for the individual. In response to her question of whether the Congressman should write his intended letter to the Director at this time, I told her that I saw no need for such a letter and I would try to be back in touch with her in about a week. She expressed Representative Parris' sincere appreciation for the Agency's assistance in this matter.
